Subject: Job 1737386 - Gold King Aug 11 nightly wrap - E-m

In a broadcast e-mail you recently sent in Vocus, some of the Media Contacts addressed in your 'Gold King Aug 11 nightly wrap - E-mail' message have invalid e-mail addresses. A list called 'Job 1737386 - Gold King Aug 11 nightly wrap - E-m' has been created to provide easy recall of these intended recipients for re-sending.

You will receive this notice when the first email is returned as invalid, and the Media Contact will be added to the 'Job 1737386 - Gold King Aug 11 nightly wrap - E-m' list. For any additional returned email, the corresponding Media Contacts will be added to the list as they are returned to the mail server.

After 48 hours, the job will be considered complete, and you will receive the final notice that the list has been updated.

If you have any questions, please contact Support Services.

Thank you.
